

**EMS Information Bulletin 2022-03**

**DATE:** March 17, 2022

**SUBJECT:** Announcement of Act 10 of 2022 – Additional Information

**TO:** PA EMS Agencies  
PA EMS Providers  
PA Regional EMS Councils

**FROM:** Aaron M. Rhone, Interim Director   
Bureau of Emergency Medical Services  
Pennsylvania Department of Health  
(717) 787-8740

On Friday, February 11, 2022, Governor Tom Wolf signed into law Act 10 of 2022. Act 10 of 2022 created a \$25 million grant program for Pennsylvania EMS agencies to be administered by the Office of State Fire Commissioner (OSFC) in consultation with the Pennsylvania Department of Health through the Bureau of EMS (Bureau).

Yesterday, March 16, 2022 the OSFC began communications with eligible agencies via electronic mail (email) and by mailings being sent via the United States Postal Service delivery method. In addition, the list of all eligible EMS agencies (referenced via attachment to this Bulletin) and FAQs will be posted to <https://www.osfc.pa.gov/GrantsandLoans/Pages/EMS-COVID19-Recovery-Grant-Program.aspx> together with the notification of grant funding.

Eligible EMS agencies will have until **Sunday, April 10<sup>th</sup>, 2022 at 11:59pm** to complete their certification. It is important to note that some items required for the grant, like an active SAMS registration, can take up to three weeks for processing so it is very important that agencies start the certification process as soon as possible to be included in the grant.

Please note that OSFC will not be able to accept any late certifications for the grant. Section 7842(d) of Act 10 requires that the funds be divided equally among the number of agencies that return timely certifications. Upon closing of the certification portal, OSFC will determine the amount each certified EMS agency will receive, grant agreements will issue and funds will be obligated for disbursement by June 30, 2022.

If EMS agencies in your district have any questions, please direct them as follows:

- Eligibility questions should be directed, via email, to the Pennsylvania Department of Health, Bureau of EMS: [paemsoffice@pa.gov](mailto:paemsoffice@pa.gov).
- Grant administration questions should be directed, via email, to Office of State Fire Commissioner: [ra-emmsgant@pa.gov](mailto:ra-emmsgant@pa.gov).
- Technical issues with the grant portal should be directed, via email, to the Department of Community and Economic Development: [ra-dcedcs@pa.gov](mailto:ra-dcedcs@pa.gov), or call the DCED Customer Service Center at: 1-800-379-7448.
