The Department of Health, Bureau of EMS (Bureau) has approved an extension for the deadline of submitting NEMSIS v3.5 data to ePCR vendor, ESO.

The approved extension is as follows:

June 1, 2024 – transition date for all emergency only EMS agencies
(dispatched by PSAPs)

August 1, 2024 – transition date for all agencies with non-emergency transports
(not dispatched by PSAPs)

There will no penalties to the agencies who are customers of ESO for the delay of transmitting NEMSIS v3.5 data.

Agencies are to work directly with ESO to complete the transition requirements.

Please contact Lori Driscoll at lodriscoll@pa.gov, if you have any questions regarding the extension.
